

DAV's Annual National Convention

During DAV's Annual Convention, approximately 3,000 delegates, members and guests come together to conduct the crucial business of the organization. During this 4 day event, our members elect national officers, establish the legislative priorities for the next year, expand

their knowledge of the important issues affecting our nation's veterans, learn new ways to increase advocacy and we recognize those who support our congressionally chartered mission, fulfilling the promises of the men and women who have served.

The 98th Disabled American Veterans and Auxiliary (DAV/DAVA) National Convention will be held at the Rosen Shingle Creek, from August 3 through August 6, 2019. Please visit our event page for schedules and other information:

DAV has long provided an area within our convention meeting space for government agencies, non-profit organizations and vendors to display products and services that enable veterans and their families to improve their lives.

All approved sponsors and exhibitors receive a draped 6 foot table with two chairs. There will be space behind the table should the entity wish to use free standing pop up banners or logo backdrops.

Once you have submitted your sponsorship information or have been approved as a marketplace exhibitor, you will be connected with our event coordinator who will provide further direction and logistics.

Thank you for your interest in being a part of DAV's legacy to veterans and their families!
