

2022 2023 LEGISLATIVE GOALS

WHO WE ARE

DAV is dedicated to a single purpose: empowering veterans to lead high-quality lives with respect and dignity. We accomplish this by ensuring that veterans and their families can access the full range of benefits available to them; fighting for the interests of America's injured heroes on Capitol Hill; and educating the public about the great sacrifices and needs of veterans transitioning back to civilian life. DAV, a non-profit organization with more than 1 million members, was founded in 1920 and chartered by the U.S. Congress in 1932.

LEGISLATIVE GOALS FOR 2022-2023

DAV members convene at our annual national convention to decide on the organization's legislative goals for the year. These goals help DAV's legislative team in Washington, D.C., focus on issues most important to our members as they advocate for the laws and policies that affect the disabled veteran community.

In 2022, DAV members submitted a high number of resolutions to the convention, helping to shape this year's advocacy agenda.

The following is a partial list of key resolutions adopted in 2022 that we will continue to focus our advocacy efforts on until the 2023 DAV National Convention in Atlantic City, New Jersey. To see the full list of resolutions, visit dav.org/about-dav/legislation/dav-resolutions.
