- We helped veterans and family members receive more than \$25 billion in earned benefits last year.
- Our volunteers provide no-cost rides helping veterans get to and from medical appointments.
- DAV transition advocates, on military bases across the country, help those leaving active duty access their benefits and transition back to civilian life.
- DAV hosts career fairs across the country and online that help thousands get jobs every year.
- With nearly 1,300 chapters, DAV provides a national network of local support for veterans and their families.
